

# 5<sup>th</sup> INTERNATIONAL CONFERENCE ON REHABILITATION AND MAINTENANCE IN CIVIL ENGINEERING

A Blended Conference

## Advanced Research and Technology for Rehabilitation and Maintenance in Civil Engineering

July 8-9, 2021

Conference delegates can choose one of two modalities:

**Online or On-Site** (Sebelas Maret University Campus, Surakarta, Indonesia)

## Call for Paper

### Topics

1. Factors affecting building and infrastructure performance
2. Testing and inspection of existing building and infrastructure
3. Protection, maintenance, repair and retro fitting of building and infrastructure
4. Maintenance management of building and infrastructure
5. Service life modelling of building dan infrastructure
6. Hazard mitigation
7. Sustainability aspect in civil engineering design, process, modelling, maintenance, and rehabilitation

### Keynote Speakers

1. Prof. Shyh-Jiann Hwang (NCREE Director, Taiwan)
2. Edgar Bohner, Ph.D (VVT Technical Research Center, Finland)
3. Prof. Gregory MacRae\* (University of Centerburry, New Zealand)
